2. Access to the Service is free of charge.

§ 4. TERMS AND CONDITIONS OF THE E-SERVICE

1. **Technical requirements**
 - a. The use of the Website is possible using electronic equipment with legal software via network equipment for the use of the Internet and purchased Internet access.
 - b. In order to use the e-services correctly, you must use the latest stable version of the Edge, Firefox, Opera, Chrome or Safari browser and activate the SSL secure data transmission protocol, JavaScript and cookies.
 - c. The User can change the Password as long as the new Password is not rejected by the Service.

- d. The User is obliged to keep his/her Access Data confidential, with the exception of § 6.2. In case of losing or accidentally revealing the password to a third party, the User is obliged to immediately notify the Service Administrator. The Administrator of the Website shall deactivate the lost or disclosed password, and then generate and transmit a new one to the User free of charge.

2. Information on specific risks related to the use of e-services

The Administrator of the Website informs that the use of the Website is connected with the transmission of data by means of the public Internet network, which is connected with the risk characteristic of the Internet. The risk for each User consists in the possibility of "infecting" the User's device of the Internet network with software created mainly with the aim of causing damage (e.g. viruses, worms, Trojan horses). In order to minimise the risk, the User should equip the devices he/she uses to connect to the Internet with anti-virus and firewall software, which he/she should keep up-to-date by installing the latest versions. The Customer and the User should note and report any observed or suspected information security vulnerabilities in the e-services.

§ 5. TERMS AND CONDITIONS FOR THE CONCLUSION AND TERMINATION OF THE E-SERVICE CONTRACT

1. The agreement for the provision of Information Services and other e-services available on the Website is concluded when the User enters the relevant URL of the web pages selected by him/her in his/her browser containing content made available on the Website, or when he/she uses the redirection to such pages of the Website, and is terminated when he/she leaves the pages of the Website.
2. For users who have created an account on the Website, the agreement for the provision of services by electronic means of maintaining an account on the Website is concluded at the moment of registration on the Website and lasts until the User's account is closed. The User may, at any time, terminate the contract for the electronic provision of the service of maintaining an account on the Website by sending an email to: platform-crocems@atmoterm.pl with a request to close the User's account on the Website.
